

# Kriyayoga Meditation

AS TAUGHT BY KRIYAYOGA MASTER & SCIENTIST  
GURUJI SWAMI SHREE YOGI SATYAM

"The philosophy and principle of Kriyayoga is that when a person is one with the Truth, then they have no ignorance or problems of any kind. This state is known as 'Moksha'.

During the course of searching Truth, the ill effect of ignorance and problems do not appear. The moment when the search is dropped, various problems appear in life. Kriyayoga is a scientific and time-tested spiritual technique for seeking the Truth behind each name and form."
