Nullify the Effect of Bad Karma Through the Practice of Kriyayoga

With the opening dawn of Ascending Dwapara Yuga 313 years, spiritual petals within the human consciousness start opening. Many are seeking spirituality. Because of not having one-pointed devotion in spiritual science, people have ignorant ideas that the teachings of Lord Ram, Lord Krishna, Buddha, Mahavir Swami, Nanak and Jesus are considered to be associated with different spiritual paths leading to one place – the Kingdom of God. In reality, all of these teachings are the same. By observing the external garb of words and sentences, all people who are not in deep, one-pointed devotion in spirituality get confused.

If one follows any realized master or incarnation, for eg. Krishna or Jesus, etc., with one-pointed devotion they will realize the ultimate Truth that the existence of each and every creation is Eternal. This was said by international Kriyayoga spiritual leader, Swami Shree Yogi Satyam at the Kriyayoga Camp at Mukti Marg in Kumbha Mela. Explaining Kriyayoga meditation, Swami Satyam made it clear that the teaching of Lord Krishna is the philosophy and principles of Kriyayoga Science. Swamiji said that Lord Krishna has told that if one follows his teachings with 100% devotion then the effect of all bad karma will be nullified. Lord Krishna has explained very clearly that each and every creation is immortal. When we are able to see with intuitive eyes, then we realize the existence of Krishna in the past, present and future, all of the time.

The day the majority of people realize that the teachings of all realized masters are the same, then all fighting, jealousy, attachment and aversion will vanish and we will see within and around that only heaven exists.

Masters of divine realization know that God alone exists. God has become all creations. God is immortal therefore all creations are immortal. Their visible and invisible appearance represents phenomena of change, which is known as Shiva Shakti.

Many Kriyayoga devotees have been attending these classes and have travelled from all over India and the world, including countries such as England, Russia, Canada, USA, Brazil, Italy, Germany, Bulgaria, Luxembourg, France, etc. Classes are open to the public and occur twice daily at the Kriyayoga Camp at Mukti Marg in Kumbha Mela (8:30 – 9:30 a.m. and 2:30 – 5 p.m.). Beginners are welcome to participate in Kriyayoga classes conducted by Swami Shree Yogi Satyam.
