Kriyayoga Reveals Truth and Non-violence

The rising sun of Kriyayoga will first spread the Omnipotent rays of Eternal Truth to all places of India that the religion of all religions is Truth and Non-violence (Satya and Ahimsa). After that, it will spread in all countries of the world. Eternal power of Unity of Kriyayoga will remove war from the face of the earth and will bring peace, joy and prosperity. This message was delivered by international spiritual leader, Swami Shree Yogi Satyam to the pilgrims attending classes at the Kriyayoga Camp at Mukti Marg in Kumbh Mela.

Translating the consciousness of Truth and Non-violence into physical and mental activities, Swami Satyam ji explained that the Element of Truth exists all the time and cannot be destroyed by anyone or anything. Therefore, the nature of Truth Element is known as Ahimsa. Truth and Ahimsa belong to the one Eternal Element and appear like two faces of the same coin. He further elaborated that each and every object existing at the present moment is Eternal in nature. The object has existed since the beginning of creation and will remain in existence up to the end. By taking the example of water, he made it very clear that the water consumed at present also existed in the past. It may have existed in the form of mountain spring water, clouds, within plants or within the earth. The same water will remain present in the future possibly in the form of hydrogen and oxygen or radiations.
