## Kriyayoga Brings Positive Change to Society and Education

*International Kriyayoga spiritual leader, Swami Shree Yogi Satyam commenced his lecture at the Kriyayoga Camp at Mukti Marg in Kumbha Mela by enlightening the audience with the following message:*

“With the dawn of the ascending Dwapara Yuga, the present rules and regulations that provide services to humanity are now imperfect and are not able to provide peace and harmony in society. Because of the new age, the neurons of the brain and spinal cord start changing and become more receptive of higher thoughts present within the Cosmos. People of scientific nature are able to receive new ideas and thoughts, which are replacing old thoughts and ideas, bringing more unity among all by decreasing infection of caste, creed and regional feeling.”

Swamiji further said, “All dimensions of the education system have to be changed with the exception of engineering and medical science. Subjects such as philosophy, political science, psychology and the interpretation of scriptures have inappropriate and very incomplete lessons, which are useless and cannot be practiced by humanity to bring peace and joy in life.”

Swami Satyam stated that Kriyayoga practice facilitates the human mind to grasp the Truth hidden within the Scriptures such as the Vedas, Ramayana, Ram Charit Manas, Bhagavad Gita, etc. and clearly brings light to re-establish various lessons in political science, psychology and history, which can bring security, peace and joy in human life. He continued to explain that in order to bring

a suitable change in all walks of life Kriyayoga meditation is made available to all pilgrims from all over the world, who are coming, joining and learning at Mukti Marg in Kumbha Mela. The future plan of Swami Satyam is to first light the lamp of Kriyayoga in each home of India and then in USA, Canada and other countries of the world.

Kriyayoga classes are available to the public, free of charge at three different locations. At Kali Road, classes are conducted from 6 a.m. to 7 a.m. At Mori Road, classes run from 6:30 to 7:30 am. and 11 p.m. to 1 a.m. At the Kriyayoga Camp at Mukti Marg in Kumbha Mela, classes are conducted at 8:30 to 9:30 a.m. and 2:30 to 5 p.m. All are most welcome to attend and participate in the Kriyayoga classes.
