## Kriyayoga Meditation is the Complete Teaching of Bhagavan Krishna

Kriyayoga meditation transforms devil consciousness into angelic consciousness and accelerates the essential journey towards the Kingdom of God where a human being experiences the Ultimate Truth that God has become all. This message was delivered by international spiritual leader, Swami Shree Yogi Satyam to pilgrims attending the Kriyayoga Camp at Mukti Marg in Kumbha Mela.

This realization removes thoughts and ideas of differences from within and around and gives the clear vision that the visible and invisible Cosmos is the existence of heaven. In fact, there is no hell present anywhere. He further clarified that the perception of hell is the dream state of a human being because of a lifestyle based on dual concept – sins-virtues, pain-pleasure, good-bad, comfort- discomfort, victory-defeat and loss-gain.

He stated that now it is a very important and essential need of human being to experience Eternal Unity among all to enjoy real peace, joy, power and knowledge each moment. Thus, the eternal desires of human beings are fulfilled. Now the time has come that Kriyayoga teaching should be placed in the minds of each and every person of India and all countries of the world. This teaching is more and more important than anything else because Kriyayoga meditation provides all

necessary things that we need each moment in the physical, astral and causal universes. Explaining the spiritual technology of Kriyayoga meditation, Swamiji gave them practice of bringing attention within which establishes the workshop of conversion of dual thoughts and ideas into the thought of singularity.

Here singularity means that each and every creation of the Cosmos is a constituent of only one Element, which is Immortal and appears each moment in a new form. It was very clearly explained by Swami Shree Yogi Satyam that Kriyayoga meditation is the complete teaching of Bhagavan Krishna.

Kriyayoga classes are conducted at two locations. At the Kriyayoga Camp at Mukti Marg in Kumbha Mela, classes are conducted at 8 to 10 a.m. and 4 to 6:30 p.m. At Mori Road, class is at 11 p.m. to 1 a.m. All are most welcome to attend and participate in the Kriyayoga classes. All classes are attended by people travelling from all over India as well as abroad from countries such as Canada, USA, Brazil, Germany, Russia, France, England, Australia, Lebanon, etc.
