## Kriyayoga Uncovers the Root Cause of All Problems

The cause of various problems of human beings is not having the true concept behind Self. The visible presence of the human being is the incarnation of invisible Cosmic consciousness which is the presence of all kinds of knowledge of creation, preservation and change and has the ability to collect and disperse energy, atoms and molecules, to accomplish any work desired. (For example, the production of electronics, computers, planes, rockets, communication apparatus, and medical discoveries, etc.)

With full guarantee, by practicing Kriyayoga a person can realize their true nature as Omniscient, Omnipotent and Immortal consciousness. This was explained by international spiritual leader, Swami Shree Yogi Satyam to pilgrims attending the Kriyayoga Camp at Mukti Marg in Kumbha Mela.

Clarifying the above ideas and thoughts, Swami Satyam further said that humans are charged with the false concept that a person is different than God. In reality, God has become all. The relationship of visible universe and God is like waves with the ocean. As the ocean has become all waves, in the same way God has become all. Therefore, humans can accomplish any work with constant joyful effort. In the Mahabharata, the thought and imagination of separation from God is known as Kripacharya. Dissecting the word Kripacharya, with the help of the intuitive scalpel, Swami Satyam further explained meanings of 'krip' (imagination), 'a' (opposite), 'acharya' (master). In this way, Kripacharya within signifies the concept of the opposite thought of Truth,

which is also known as Avidya. Through the Kriyayoga practice a person is charged with the ideas and thoughts of the True concept that God has become all. By practicing Kriyayoga meditation a person clearly feels that each and every dimension of one's self is the presence of Omniscient, Omnipotent and Immortal consciousness.

Kriyayoga classes conducted by Swami Shree Yogi Satyam run twice daily at the Kriyayoga Camp at the Mukti Marg at Kumbha, mornings 8 to 10 a.m. and afternoons 4 to 6:30 p.m. At Mori Road, class is at 11 p.m. to 1 a.m. All are most welcome to attend and participate in the Kriyayoga classes. All classes are attended by people travelling from all over India as well as abroad from countries such as Canada, USA, Brazil, Czech Republic, Russia, France, South Africa, England, Australia, Lebanon, etc.
