Kriyayoga Reveals the Truth Behind Mauni Amaavashya

The greatest democratic, spiritual country, India is ready to celebrate Mauni Amaavashya along with the millions of people from all countries of the world who are gathered in the holy city of Allahabad at the bank of the Holy Ganga on the occasion of Kumbha Mela.

International spiritual leader, Swami Shree Yogi Satyam explained to the pilgrims at the Kriyayoga Camp at Mukti Marg in Kumbha Mela that in ancient India, Kriyayoga meditation was able to keep the spiritual lamp glowing within and around the consciousness of human beings and because of this, they were able to observe complete silence, 'maun'. Therefore, they were able to perform all kinds of activities successfully in a state of deep silence (maun). Without talking they were able to communicate and without walking they were able to reach their desired destination.

Explaining Mauni Amaavashya, Swami Shree Yogi Satyam said that Mauni is related to spiritual silence and Amaavashya is related to darkness (ignorance). Mauni Amaavashya explains that the spiritual strength of Kriyayoga was able to keep people in an enlightened state despite being immersed in an environment of darkness (spiritual ignorance). Therefore, celebrating Mauni Amaavashya meant that these enlightened beings were able to practice maun (deep spiritual silence) and live a productive life while being completely unaffected by their dark surroundings (ignorance).
