January 29, 2013 – Kriyayoga Kumbha Mela News

Kriyayoga Camp Inauguration at Mukti Marg in Kumbha Mela

Swami Shree Yogi Satyam ji delivered the following divine message to all devotees gathered on the occasion of the Inauguration of the Kriyayoga Camp at Mukti Marg, Kumbha Mela on the 29th January at 2 p.m. He stated, “Human beings are experts in enjoying the wakeful, dream and sleep phenomena of life but they have not yet realized the science of conscious death and conscious arousal from death. Because of this ignorance, human beings experience fear of death. Kriyayoga meditation is the scientific practice of inducing death to all cells and tissues of the body and vice-versa.”

Swami Satyam ji said that the science of death and arousal from death is the highest science offered to humanity. He continued to explain further that the state of entering into conscious death is called Sabikalpa Samadhi, in which all cells and tissues of the body, senses, mind and reasoning enter into a suspended animation state. In this condition, intuition starts awakening and becomes functional and through this humans are able to perceive the Eternal Truth.

The Inauguration ceremony began by Swami Shree Yogi Satyam performing the Bhrumadhya poojan of the honoured Chief Guest, Shree N.C. Bajpai and his wife, which was followed by lighting of the lamp on the altar of Kriyayoga. The wife of Shree N.C. Bajpai honoured this occasion by sitting with him on the stage. Swamiji also honoured the Chief Guest by adorning him with a shawl.

Kriyayoga Brings A United World Guided By God-consciousness

The Chief Guest, Shree N.C. Bajpai, Vice-Chairman of Planning Commission of Uttar Pradesh, expressed his realization that Kriyayoga meditation is the fastest and highest way to enlarge the limited human consciousness into an Unlimited Consciousness. The Chief Guest forecasted that the Kriyayoga movement by Swami Shree Yogi Satyam will change the atmosphere of the nation and the people of India. Kriyayoga practice will make them learn the art of how to create an atmosphere of heaven within and around.

Shree N.C. Bajpai stated again that amongst all of the paths of realizing Truth, Kriyayoga holds the supreme state because it works like a jet-plane way to cover a million years of natural evolution in a short span of time. He expressed his desire to help the Kriyayoga movement to create a peaceful atmosphere filled with wisdom in India.

The Inauguration was well attended by many people from all over India, including Shree Satyapal Gulati and Shree Jagdish Gulati, owners of the United Group. They extended their support to help in spreading the Eternal complete spiritual science of Kriyayoga to all over the world. Other Kriyayoga devotees from abroad also participated in the function. They came from countries such as Italy, Canada, USA, Brazil, Poland, Czechoslovakia, Germany, France, Luxembourg, South Africa and Singapore.
