

KRIYAYOGA ASHRAM AND RESEARCH INSTITUTE

Inauguration News – March 29, 2013

Inauguration of Awakening of Nation through Kriyayoga Meditation

March 29, 2013

Chief Guest :
Shri Akhilesh Yadav
(Chief Minister U.P.)

Spiritual Mother India, the highest democratic nation, has served all countries of the world by sending its great persons everywhere to demonstrate the holy workshop that “Work is Worship”. India has also taught all citizens of the world the philosophy and lifestyle of **Vasudeva Kutumbakam**.

The fastest and highest spiritual practice, Kriyayoga Meditation, taught millenniums ago by Krishna to Arjuna, was spread all over the world including the United States of America. Kriyayoga Meditation is the foolproof technique which brings complete change in all persons and makes them realize that they can get full control over their senses and mind, and demonstrate that **nothing is impossible**. Kriyayoga will now spread to each home of India to nourish Mother India with Omnipotent Spiritual nutrition. This message was given by Swami Shree Yogi Satyam at the Kriyayoga Meditation Inauguration held at CMS Auditorium, Gomti Nagar. Swamiji explained that the highest and most important effect of Kriyayoga Meditation is that it quickens the evolution of human consciousness.

50 minutes of Kriyayoga practice accelerates the growth of understanding power and spiritual strength of a person equivalent to 100 years of regular life.

On this holy occasion, the chief guest, Shri Akhilesh Yadav, Chief Minister of U.P, expressed his great joy that this foolproof and time-tested Kriyayoga Meditation, which is ready to spread in each village of U.P., India, was the same technique taught to Arjuna millenniums ago, revived and given to Lahiri Mahasaya in 1861 and was spread by Paramahansa Yogananda during his 32 years in the United States of America. The Chief Minister stated that he was delighted to know that this same Kriyayoga Meditation will now spread to each home in Uttar Pradesh first, and then to the rest of India. He said that he came to know from eminent doctors that Kriyayoga Meditation cures illnesses such as high blood pressure, diabetes etc. Samajwadi Party will provide its full support to spread Kriyayoga Meditation everywhere. He said, "Let India become awake."

The Vice-Chairman of State Planning Commission of Uttar Pradesh, Shri N.C. Vajpayee, gave his experiences and the message to all gathered for this occasion that Kriyayoga Meditation is scientific, as well as the highest and simplest lifestyle which transforms persons to a very high state of awareness. He said that Kriyayoga brings the realization that within a person, there exists all power and knowledge by which that person can enjoy the lifestyle that nothing is impossible.

On this auspicious occasion, persons from all over the world were gathered in Lucknow at CMS auditorium to hear this message given by Swami Shree Yogi Satyam and the honoured guests.
